

Daniel Calderon

Profile

Experienced, determined, and quick-learning drywall/lathing apprentice with over 5 years of experience in the construction industry. Holds a track record of successfully working as part of a team for multi-million dollar building projects across Northern California. Knowledgeable in RFIs and blueprint technology. Experienced in installing gypsum board, rough framing, and OSHA regulations, as well as safe working practices. A diligent worker who can problem solve and improvise under short deadlines and communicate with a multitude of trades throughout job sites.

Employment History
